energy  
efficiency.

Updated April 2019

## Families and businesses are saving with the help of ENERGY STAR®

North Dakota is home to about **20** businesses and organizations participating in U.S. EPA's ENERGY STAR program:

**2** manufacturers of ENERGY STAR certified products

as well as many businesses, schools, governments, and faith-based groups using ENERGY STAR to reduce energy waste.

### Across North Dakota

**236 thousand customers** were served by ENERGY STAR utility partners in 2018

**293 buildings** (more than 14 million square feet) were benchmarked in 2018 using EPA's ENERGY STAR Portfolio Manager

**724 homes** have earned the ENERGY STAR

**38 buildings** have earned the ENERGY STAR for superior efficiency, including 3 schools, 1 hotel, 2 hospitals, 5 office buildings and 2 industrial plants.

The oldest ENERGY STAR certified building in North Dakota is one of the first JC Penney stores, built in 1925.

### State Spotlights

*"The Fargo VA Medical & Regional Office Center works with partners like EPA's ENERGY STAR to conserve the earth's natural resources and preserve our environment through our energy conservation and recycling efforts. We believe the time, money, and energy that are required to excel in these areas are an integral part of our mission."* – Douglas M. Kenyon, Center Director, VAM&RO Center
